

IDENTIFY YOUR CLIENTS FASTER AND MORE EFFICIENTLY!

Identify your clients faster and more efficiently.

- Advertise on your customers' key rings
- Include your website and contact information
- Remind customers of your services
- Track memberships with barcodes and ID
- Create a sense of belonging and loyalty
- Reward customers for frequent visits

ARTWORK REQUIREMENTS

Bleed

Bleeds are available on membership cards but are NOT recommended for key tags. Please try to keep actual text of card 3/16" from die cut area. Consult your sales representative for more information regarding bleeds on any key tag.

Colors

Colors should be indicated using the Pantone Matching System.

Requested Changes

Requested changes to customer submitted copy will result in additional prep charges. Minimum charge will be \$95/hr.

Programs Accepted

PC: QuarkXpress 5.0, PageMaker 7.0, Illustrator 10.0, Photoshop 7.0, CorelDraw
 MAC: QuarkXpress 5.0, PageMaker 7.0, Illustrator 10.0, Photoshop 7.0
 Please do not supply art in Microsoft Word

Art to be scanned

Logos or art pieces to be scanned should be clean, black & white art as large as or larger than printed piece (200% of final size preferred). A separate copy should be marked up for color breaks. Raised print pieces are not acceptable for scanning.

Requested Changes

Please allow 3-4 weeks for your order from the time of final proof. If you have any questions pertaining to design setup, please contact keytags@gohelios.com.

BARCODE SCANNER

This Device will read the keytag barcode for instant client identification. Talk to a Helios sales representative about purchasing one today!
